Big News: Partners Can Now Attach Documents to Specific Underwriting Conditions!

To Our Valued Partners-

You asked, we listened!

Liberty is pleased to announce the PORTAL will ***NOW*** allow condition documents to be uploaded directly to specific underwriting conditions. This enhancement will improve our efficiency and client satisfaction by helping clearly identify the specific underwriting condition a document is meant to satisfy, which will minimize reconditioning of loans and reduce the average time for loan closing.

We thank you for suggesting this functionality and are excited to roll it out to better support our partners. Please keep the feedback and suggestions coming!

If you have any questions, please contact the Sales Support team at LenderSupport@LibertyReverse.com or your Regional Account Executive.

Thank You.
